

REMARKS

Claims 1-13 are the only claims pending. Original claims 3-9, 11 and 12 have been amended to eliminate informal "use of" terminology, to reduce filing fees by eliminating multiple dependency and to provide minor clarification.

Amended claim 9 is based on page 9, lines 16-22 of the specification as filed.

Newly added claim 13 is supported by originally filed claim 12. No new matter has been added.

Applicants aver that the claims are now in better form for examination. An Action on the merits of the claims is respectfully awaited. In the event that minor amendments will further prosecution, applicants request that the examiner contact the undersigned representative.

Respectfully submitted,

Kevin T. Mansfield
